THE WAY FORWARD . . .

"Toc H shall go far across the seas. It shall, by comradeship and
service, bring peace to those places where there is still bitterness,
and light to those places where there is still darkness . . .

In the spirit of Jesus Christ, we are joined together, and we shall go
forward, setting our course always not by the waves but by the stars."

Alec Paterson, first Chairman of Toc H at the first Toc H Festival
1923.
